Dear Parent/Guardian

Weighted Assessments Schedule – 2026 Term 3 Sec 3

Please take note of the schedule for your child's/ward's weighted assessments (WA) in Term 3. Do encourage your child/ward to practise self-directedness, time management and put in consistent effort in his/her studies to benefit from the WA.

The exact day of the week during which the WA will be conducted depends on the respective class time-table and your child/ward will be informed by the teachers in advance. There can be a maximum of two WA in a day. More details on the scope of the WA will be uploaded on the school website.

To support your child's learning journey, we will share constructive feedback on WA3 with him/her before the end of Term 3. You will receive the WA3 results in Term 3 Week 10.
