### 3. Attendance

3.2 If a student has not been attending M(SP) lessons regularly without a valid reason, the school will be informed accordingly. Disciplinary action against the student will be taken by the school.

3.3 Should the student continue to be absent despite the warning, a zero mark for assessments will be given to the student. The student may also be debarred from taking the examinations if he/she did not meet the required attendance rate, resulting with withdrawal from the programme at the centre.
