40TH ANNIVERSARY HOMECOMING DINNER

BBSS40

For four decades, Bukit Batok Secondary School has stood proudly on the hill, growing from strength to strength as a beacon of learning and community.

Heart represents our people whose care and dedication create the bonds that define the BBSS family.

Home reflects the belonging that makes BBSS more than just a school — where friendships are forged, character is built, and memories are made.

Heritage honours our rich legacy, celebrating those who laid our foundations and each generation that has contributed to our story.

As we mark this milestone, we celebrate our enduring commitment to nurturing future generations on the hill we proudly call home.

40TH ANNIVERSARY HOMECOMING DINNER

Tonight's Specials

FOUR DECADES ON DISPLAY

As we celebrate four decades of BBSS, four specially curated boards displayed around the hall chronicle our remarkable journey through time, capturing the defining moments and memories that have shaped our school across the years.

MEMEnto BOX

Complementing the display is our limited edition 40th anniversary homecoming dinner door gift—the MEMEnto box, a play on 'memento' and contemporary meme and blind box culture. This unique keepsake bridges generations, serving as a timestamp of our ongoing evolution and embodying a school that honours its past while embracing the future.

Tonight's Specials

PAPER CRANE FOLDING

SōngHè Crane-folding Kindness Campaign aims to inspire acts of giving and spread kindness. By supporting this charity cause, we nurture kindness—symbolising the heart—while fostering a strong sense of community that reflects our home and heritage.

BBSSians will fold a total of 10,000 paper cranes in celebration of our 40th anniversary. These cranes will be exchanged for 1,000 kilograms of rice for donation to the Fei Yue Family Service Centre in Bukit Batok.

We warmly invite you to join us in folding paper cranes and be part of this meaningful act of giving!
