

Sec 3E WA3 Schedule and Format

Sec 3E WA3

Subject	Term 3 Schedule	Format
Literature	Week 4	Passage based Questions on Lit text Kindred.
Social Studies	Week 5	Source Based Skills of Utility & Study all sources
History Elective	Week 5	Source Based Skills of Comparison & Study all sources
English Language	Week 6	Narrative Comprehension
Mother Tongue Language	Week 6	CL: Argumentative writing ML: Comprehension TL: Composition HCL: Vocabulary & Comprehension
Additional Mathematics	Week 6	Chapt 9: Trigonometric Functions & Graphs Chapt 10: Trigonometric Equations & Identities & R-formulae
Geography Elective	Week 6	Presentation on factors affecting the intensity of earthquakes
Geography	Week 6-7	Source Based Questions on Weather and Climate
Mathematics	Week 7	Chapt 7: Applications of Trigo Chapt 8: Arc length, Area of sector, Radian Measure Chapt 9: Congruence and Similarity Test Chapt 10: Area & Volume of similar Figures
Design & Technology	Week 7	Structured Questions (Topic: Electronics)
Nutrition and Food Science	Week 7	MCQ, Structured and Essay Questions Chapter 1 - Proteins Chapter 3 - Fats Chapter 13 - Reactions in food during preparation and cooking
Art	Week 7	Developmental IDEAS
Chemistry	Week 8	Structured questions Topics: Acids, bases and salts, redox reactions
Physics	Week 8	Structured questions Topics: Pressure Kinetic model Thermometry Heat transfer
Science (Physics)	Week 8	Structured questions: Turning effect, Work, energy and power, Kinetic model

Science (Chemistry)	Week 9	Structured questions Topics: Mole concept, Acids, bases and salts, Methods of purification.
Biology	Week 9	Structured questions: movement of substances
